CITY WILTS UNDER GREAT HEAT WAVE

Comes Suddenly From South, Smashing Records and Causing Intense Suffering-Little Relief Felt During Evening Hours-New York 32 Degrees Cooler.

Closer to the century mark to-day.

South Was Chief Sufferer.

While Richmond was having its troubles there were sister cities in the South yesterday which fared equally as bad, and in one of two instances worse. Charleston stood alone on the Southern roll call with an official temperature of 100. The South Carofina metropolis was the nations particular slazile-point and sweltered under a scorching sun which not even the cooling breezes from across Forturned temperatures of 100. The South Carofina metropolis was the nations took third place in the national weather average with records of 93. Actionta, Montgomery, Louisville, Ok. Jahoma, St. Louis, Tampa and Chiesgo all reported heat records of 94. New Orleans reported 92 and Norfelk and Washington, 1. C. registered 90. Among the nations cool spots were New York (64), Spokane (62). San Francisco (65) and Duluth (56).

Vesterday's extreme heat drove the people to the city and suburban parks in hordes. The accessibility of these resorts from practically every section of the city was regarded as responsible in part for the absence of prostrations. Many cases of this kind were reported from different sections of the country yesterday, but none from Richmond.
